

- The committee discussed that the lights on the basketball court were repaired and replaced and that Mark Morin donated the use of a man lift to facilitate the repairs. It was discussed that the committee would prepare and send a thank you letter for the in-kind donations that made the upgrades to the basketball courts.
- Jason Cox made a motion to:
  - Allocate up to \$11,500.00 to rework the fence post to bring the basketball courts up to code.
  - The motion was Seconded by Mike O'Brien and subsequently voted and passed unanimously.
- Jason Cox made a motion to:
  - Transfer funds from the recreation program unused salary's to be able to be used to resurface the basketball courts.
  - The motion was Seconded by Mike O'Brien and subsequently voted and passed unanimously.
- The committee discussed the tear down of the Old Town hall in order to create a playground. Chairman Leblanc explained that he had been working with O'Brien and Sons of Medway to design a playground. Initial estimated figures were to be around \$500,000.00 to complete the project. It was discussed and tabled for further discussion with the expectation that the committee would have a proposal ready to place in the articles of the May town meeting.
- The Committee agreed to continue to explore the use of the land on Colony Road for the use of creating an athletic complex. Per previous meetings, we have expressed interest in the land as a potential site for the proposed Athletic Complex.

#### **ON THE TABLE FOR NEXT MEETING**

- Update on the land use of Colony Road
- Potential plans for a playground to be constructed

#### **NO FURTHER ENTRIES**
